**FEBRUARY
CALENDAR**

**Makes Its Appearance
In Book Form.**

IT CONTAINS 249 CASES

**Wah See Sues Hack Driver for \$5095
Damages--Number of Small
Actions.**

The calendar of the First Circuit
Court for the February term, which
will begin next Monday morning, has
been issued in book form and contains
127 pages. In addition to the cases al-
ready moved on, it contains spaces for
other cases which may reach the cal-
endar during the term.

On the back is a printed list of court
officials and employees, while at the bot-
tom appears a statement of the term
times. Only one criminal case appears
on the calendar, due to the fact that
appeals have not been perfected yet in
such a way as to be regularly listed.

It is possible that the many blanks
which are left in the book for this pur-
pose will be filled by Monday, as there
are a number of cases. Twenty-four
jury-waived cases appear, among them
being the Palaia land matters from Koo-
lau which the Supreme Court has order-
ed on the calendar.

The balance of the calendar is made
up of assumpsit, quieting title, tres-
pass, damages and divorce cases. Of
the latter there are fifteen, as follows:
Rita C. Tewksbury vs. Irving Q.
Tewksbury.

Manoel Fernandez vs. Alexandrina
Fernandez.

Maria dos Santos vs. Jose de Abreu.

Stella Nunes vs. Leonard Nunes.

Kela K. Marquez vs. Francisco D. A.
Marquez.

Bertha St. Clair vs. John St. Clair.

Mary A. Evans vs. William Evans.

Virginia M. Lancaster vs. Millie
Lancaster.

Emma Smith vs. William M. Smith.

K. K. K. Kellikuala vs. J. M. Kelli-
kuala (K).

J. Nawa Kanaulu vs. Lucy K. Kana-
ulu.

Kahalau (w) vs. Kawaloa.

Libana de Nobrega vs. Sylvano de
Nobrega.

Corinne Bartlett vs. Ward S. Bart-
lett.

Joseph K. Clark vs. Abbie K. Clark.

Most of the calendar is taken up with
jury civil cases, of which there are 292
suits, many of which promise to occupy
considerable time.

WANTS HEAVY DAMAGES.

Wah See, the Chinaman whose daugh-
ter was run over and killed by Manuel
Correa, a hack driver, on the night of
January 16, has brought suit against
the hackman for \$5,095 as damages.

San Gun, the 7-year-old girl who was
killed, was walking on the makai side
of King street between Punchbowl
street and the head of South street
with her father when the horse attach-
ed to hack No. 84, driven by Correa,
struck her and knocked her down.

The child was removed to the hospi-
tal, where she died two days later. At
the coroner's inquest Wah See made a
strong effort to obtain an indictment
against Correa, but failed, the jury re-
turning a verdict of accidental death
and completely exonerating the hack
driver.

COURT NOTES.

J. Alfred Magoon, administrator of
the estate of Alina (Chinese), deceased,

**DANGER OF COLDS AND LA
GRIPPE.**

The greatest danger from colds and
la grippe is their resulting in pneu-
monia. If reasonable care is used,
however, and Chamberlain's Cough
Remedy taken, all danger will be
avoided. Among the tens of thousands
who have used this remedy for these
diseases, we have yet to learn of a
single case having resulted in pneu-
monia, which shows conclusively that
it is a certain preventive of that dan-
gerous malady. It will cure a cold or
an attack of la grippe in less time
than any other treatment. It is pleas-
ant and safe to take. For sale by

TO WEAK MEN!

DO YOU WANT TO BE STRONG?

To feel as vigorous as you were before you wasted
your strength? To enjoy life again? To get up in the
morning refreshed by sleep and not more tired than
when you went to bed? To have no weakness in the
back or 'come and go' pains? No indigestion or consti-
pation? To know that your strength is not slipping
away? To once more have bright eyes, healthy color in
your cheeks and be confident that what other men do
is not impossible to you? In short, do you want to be a
man among men? **Dr. McLaughlin's Electric Belt**

McLaughlin's Electric Belt

There is nothing so penetrating, nothing so invigor-
ating, nothing that will relieve weakness and pain as
speedily and surely as Dr. McLaughlin's Electric Belt. It
is simple, but grand. It assists nature by a general
reinforcement of the vital energy by infusing a mild,
invigorating current of electricity into the nerves and
by supplying the system with the very essence of nerve
vigor and strength.

The greatest men in the world of medicine and science say "ELECTRICITY IS LIFE." It is the
strength, the vigor and, in fact, the very life in the body, and Dr. McLaughlin's success in making use of
its life-giving power proves its merit. With his Electric Belt he has cured 10,000 weak men during the last
five years—men who had been troubled with general debility, wasting weakness—men who had been able to
get no benefit from drugs. Many of these cases were pronounced incurable by doctors who had failed to cure
them. But they have been cured, and they stand ready to testify to it.

Don't be a Weak Man. You Were Intended to be strong, and you can be

You can be a stronger man than you are. You should be stronger. You should have more confidence in
yourself. Steel your nerves with this electric current. Feel its warming glow as Dr. McLaughlin's Electric
Belt saturates your body with it. It has made hundreds of vigorous men out of as many weak, despondent
fellows. It will cure you if you will try it.

If you have Rheumatism, Lame Back, Sciatica, Lumbago or weakness in the nerves or vital organs, you
ought to consult Dr. McLaughlin. He will tell you whether his Belt will cure you and give you his advice
free. Don't be ignorant of a remedy which may correct all your past mistakes and assure your future hap-
piness. If you cannot call, send for Dr. McLaughlin's Book, which is devoted to the weakness of men; tells
the cause of early decay in young and middle-aged men. It shows how Electricity, properly applied, will
restore this power, and gives the proof. Send for it today. It is free. Address:

they might be placed under suspicion
of fraud, and to deal honestly with the
Government.

After taking the oaths of office the
men reported back to Mr. Hasson and
their names were entered on the list of
